

Primary Health Nurse (22.8 hours, 3 days per week)

City Mission is seeking a qualified nurse - Enrolled Nurse (Division 2) or Registered Nurse (Division 1). The role will offer clinical support to those pursuing help to manage their addiction based at our residential recovery centre Missiondale.

Experience working with people who are living with addiction is beneficial in the role, but if you are able to demonstrate care alongside good professional boundaries, we would encourage you to apply. Working as part of a team is critical in this role, as well as showing initiative and flexibility.

Missiondale provides a supportive environment for people engaging in long-term recovery in a Therapeutic Community setting. Missiondale is set on a peaceful 25 acres outside of Evandale and is funded for 34 beds, delivering a six-month program. The program includes individual and group therapy, skills development, case management and clinical support. Clients who enter Missiondale have completed their detox or withdrawal period elsewhere prior to admission.

This position and salary will be based on the Social, Community, Home Care and Disability Services Industry Award 2010. As a Public Benevolent Institution, Launceston City Mission employees are eligible to salary package through our approved provider.

Please address the selection criteria below in your application.

SELECTION CRITERIA (Essential Qualifications/Experience):

- General registration as an Enrolled Nurse (Division 2) or Registered Nurse (Division 1) with AHPRA
- Minimum 3 years' experience
- Demonstrated capacity to work autonomously.
- Highly developed communication skills
- Sound computer skills including MS Office suite and Best Practice Software
- Well developed assessment skills
- Demonstrated ability to work within policy and procedure and Scope of Practice
- Experience providing culturally appropriate care based on best practice principles and guidelines.
- National Police Check is required for all roles at LCM.
